Cure My Tragedy (a Letter To God)

Cold

Remember all the times we used to play
You were lost and I would save you
I don't think those feelings will ever fade
You were born apart of me
I was never good at hiding anything
My thoughts break me, do you understand
What you mean to me
You are my faith
Won't you cure my tragedy?
Won't you cure my tragedy?
Don't take her smile away from me
She's broken and I'm far away
Won't you cure my tragedy?
Won't you cure my tragedy?
If you make the world a stage for me
Then I hope that you can hear me scream
(Won't you cure my tragedy?)
When I sit and think of the days we shared
And the nights you covered for me
Every little thing that I ever did
You would stand by me
Every time you cry it would take my wind
My heart would break
If I could be strong like you were for me
You are my faith
Won't you cure my tragedy?
Won't you cure my tragedy?
Don't take her smile away from me
She's broken and I'm far away
If you made the world a stage for me
Then I hope that you could hear me scream
Can you hear me scream?
Can you hear me scream?
Won't you cure my tragedy?
Won't you cure my tragedy?
Don't take her smile away from me
She's broken and I'm far away
Won't you cure my tragedy?
Won't you cure my tragedy?

If you made the world a stage for me
Then I hope that you can hear me scream
I can't take this anymore
I can't feel this anymore
Won't you take and give her pain to me
'Cause my whole life I've made mistakes
(My whole life I've made mistakes)
Can you hear me scream
Can you hear me scream
