

# It's In Your Eyes (Album Version)

## Pauletta Washington

It's in your eyes  
I can see the love  
You try to hide  
It's in your eyes  
I can feel the hurt  
So deep inside When I look at you  
I know your love for me is so true  
We can build anything  
No matter we wanna do  
Let's build oh, this love  
Foundation is strong  
So open up your heart  
And let your feeling fly away It's in your eyes  
Don't hide  
What's in your eyes When I hold you close  
I know you're the one for me  
You are all I need  
To make my dreams come true  
I see you comin' every night and every day  
When I see you go away  
Don't be afraid  
Just keep holding on It's in your eyes  
Don't hide  
What's in your eyes Hold me  
And never let me go  
Feel Me  
I Love you, yes I do  
Take my hand  
As long as we're together  
I know our love is here to stay Just open up your heart  
And let your feeling fly away It's in your eyes  
I can see the love  
You try to hide  
It's in your eyes  
I can feel the hurt  
So deep inside  
It's in your eyes  
I can see the love

You try to hide
