

Scars (feat. Kelis, Meleka & Chipmunk)

Basement Jaxx

Basement Jaxx
Scars Coming, coming, coming
Coming, coming, coming, coming Coming loose at the seams
Blind spots, voices
Controls gone, I'm like a balloon
Cut it out, emotion Distance, it grows now
You don't reach for me
All I got, all I got is my scars Save me, give me wings to fly
Make me your reason to fight
Say my name across your heart
Remember me into the night Kiss me then I'll wake up
Kiss me then I'll wake up
Kiss me then I'll wake up Kiss me then I'll wake up
Kiss me then I'll wake up
Kiss, kiss, kiss, kiss, kiss, kiss
Fairy tales make up Headlights like demons
Peering in my hollow core
Grunge heads, they're strangling
On splinters and dry skin Streetlights, they see me
The whole world will reach for me
All I got, all I got is my scars Save me, give me wings to fly
Make me your reason to fight
Say my name across your heart
Remember me into the night Kiss me then I'll wake up
Kiss me then I'll wake up
Kiss me then I'll wake up Kiss me then I'll wake up
Kiss me then I'll wake up
Kiss, kiss, kiss, kiss, kiss, kiss
Fairy tales make up I'll kiss you then you'll wake up
Don't want to meet your maker
And you don't believe in fairy tales
Well, today I'm gonna make ya 'Cause I've come here to save ya
Finna none of that miss, I'ma take ya
I can rap, I can rhyme like karma
Be your knight in shining armor Oh no, I ain't got no Porsche
Just give me a shield and a sword and a horse
And I'll come ridin', ridin', ridin'
Give me a little mmm, mmm on the back I'mma tell a lie and get you on back
I'mma tell a lie and get you on back

It's gone right from fiction to fact
I'm gonna take you out this world Coming, coming, coming
Coming, coming, coming Kiss me then I'll wake up
Kiss me then I'll wake up
Kiss me then I'll wake up Kiss me, then I'll wake up
Kiss me, then I'll wake up
Kiss, kiss, kiss, kiss, kiss, kiss
Fairy tales make up Kiss me, kiss me, kiss me
Kiss me, kiss me
Kiss, kiss, kiss, kiss, kiss, kiss
Fairy tales make up
