

# Better Off Dead

## The Arrogant Sons of Bitches

Get up.  
Get dressed.  
Go to school.  
Go home.  
Jerk off.  
Go to sleep.  
Do it all again.  
Get up.  
Go to work.  
Smoke a butt.  
Go home.  
Jerk off.  
Go to sleep.  
That's my fucking routine.  
Go out to the pawn shop.  
Sell your soul, buy a gun.  
Take it home, say goodbye.  
Point it at your head.  
Whoever said life wasn't easy was right  
Fuck living, you might as well be dead.
