

# Kite

Gary Burghoff

Come up and be a kite  
Beelzebub is aching in my belly-oh  
My feet are heavy and I'm rooting in my wellios  
And I wanna get away and go  
From all these mirror windows  
I look at eye level, it isn't good enough  
And then I find it out, when I take a good look up  
There's a hole in the sky with a big eyeball

Calling me

Come up and be a kite  
And fly a diamond night  
A diamond kite, a diamond kite  
Ooh, what a diamond  
A diamond kite, on a diamond flight  
Over the lights, under the moon  
Over the lights, under the moon  
Over the moon, over the moon  
Come up and be a kite

I feel a rush along my body like a bullet  
I'm 2D, after a push and pull feelin'  
And I wanna get back to safe home  
I love the homeland dome  
I got no limbs, I'm like a feather on the wind  
I'm not sure if I wanna be up here at all  
And I'd like to be back on the ground  
But I don't know how to get down, down, down

Come up and be a kite  
And fly a diamond night  
A diamond kite, a diamond kite  
Ooh, what a diamond  
A diamond kite, on a diamond flight  
Over the lights, ooh, under the moon  
Over the lights, ooh, under the moon  
Over the moon, over the moon

Come up and be a kite  
Come up and be a kite
