

Even In The Dark

Company Of Thieves

For those who work so hard
Never see their children
Never see their children grow
Into the gifts they give them This is life is all unknown
Gotta listen to their laughter
Everyone must be heard now
Even in the dark For those who seek no answers
Keep it from the table
Ignorance is eaten up
When everyone must be fed This life is constant hunger
See it in the dreamers
Believe in the believers of never-ending love
An endless kind of love Even in the dark
Whoa...
Even in the dark Find your calling
Even in the dark
Find your calling Find your calling
Even in the dark
Find your calling
You gotta find your calling
Even in the dark
Everyone must be heard
Even in the darkness Even in the dark
Even in the darkness
Whoa...
Even in the dark
