

Smiley (Gish Sessions Demo)

Smashing Pumpkins

Smiley, where have you been?
Smiley, it's such a sin to say
You'll dream your life away No one met him, couldn't make it on a bended knee
All his friends were simple prophets only if he please
And he'll wait on his knee Smiley, where have you been?
Smiley, it's such a sin to say
You'll dream your life away Your love won't change
Come back to stay
Smiley, Smiley, Smiley, Smiley
Smiley, Smiley, Smiley, Smiley
