

Gotta be movin on up

P.M. Dawn

[Chorus:]

We be movin' on up

To the eastside

Where I can do my bid in a phat ass crib in the sky

We be movin' on up

To the eastside

And it looks like we gonna get some cream from the pie I always aim at the right gate

Make you bite ate

Running jooks on the lightweight

Monopolize jeans

Brooklyn hone my genes

Baby burners get squeezed

Move up movin' apartment twenty two m

Forty fours for the coolin'

Trips puttin' two in

Shadey broads off tour suin'

Who hate us

Little Kevin double down on eleven out in Vegas

Playin' Biggie

Mo money mo jiggy

Flig me

The more stones the more izee

Toxen

Smoking pain in the range with my nigga Shockem

Rose fed keep a road straight

Broken nose red

Baller bust we the dust

If you ain't eatin' it's us

Like we might fold

Servin' niggas frontin' like it's white gold

Dying hold the lying ain't the right goal

(where you from?)

Brooklyn baby

Brooklyn baby

I'll cap your top call me John if you want lady [Chorus:] You ain't fresh

Unh-uh nah baby

Everybody want to be a superstar baby

I ain't get the dough to act like abandon you

I just got things to do

Ooh la la oui oui
Freak freak
You say you want trendy you say you want sheik
And honey dips rubbin' on your money clip
Hangin' at your place
Boardwalk and Park Place
Actin' all new
Look at you how ya livin'
Meanwhile your style's played out like racism
Me I'm fresh out of love it's quite tragic
When all they want to do is inspect my gadget
And change a Superman to Clark Kent
All for the sake of fake amusement
She said what do you consider fun
If you can get it get it get it[Chorus:]Said I been tryin' these rocky roads for so long
Still I had to hold on
I'm trying to make that dough to move on
Papa told me stay strong
Time has come to make that change
Woah
Here comes the sun there goes the rain
Take that first step to tomorrow
Hey hey
Life may bring you joy and sorrow
Woah
Now I'm dottin' my I's and crossin' my t's
Lordy I'm moving up
Takin' care of my biz[Chorus:]
