# Bridge Of Sighs

## Opeth

The sun don't shine
The moon don't move the tides
To wash me clean
The sun don't shine
The moon don't move the tides
To wash me clean
Why so unforgiving and why so cold?
Been a long time crossing
The bridge of sighs
Cold wind blows
And the Gods look down in anger
On this poor child
Cold wind blows
The Gods look down in anger
On this poor child
Why so unforgiving and why so cold?
Been a long time crossing
Bridge of sighs
