

# Bridge Of Sighs

## Opeth

The sun don't shine  
The moon don't move the tides  
To wash me clean  
The sun don't shine  
The moon don't move the tides  
To wash me clean  
Why so unforgiving and why so cold?  
Been a long time crossing  
The bridge of sighs  
Cold wind blows  
And the Gods look down in anger  
On this poor child  
Cold wind blows  
The Gods look down in anger  
On this poor child  
Why so unforgiving and why so cold?  
Been a long time crossing  
Bridge of sighs
