The Dear Hunter

Amongst the stone and smoke,
we never laid before.
Images floating,
all about life in the afterglowMy decaying mind pretends
none of this ever happened.
We either learn to live a lie,
or we're waiting here to die....And after all this suffering
I could lie here for good,
but with a mind on fire
I try and stand my ground.
Illuminate and I will follow.Amongst the stone and smoke,
Rising above it all
Broken but not beyond repair.
Let's see how this soul fairs.Illuminate and I will follow you...Let's see how this soul fairs.

The General says
The General does as
The President says
The President does what
The First Lady saysSo, So they say...
