Joyride

Jennifer Hanson

Show me a woman or a man who's got a plan
And I will show you God is laughin' out His windowYou must admit, you can't predict the way the pieces fit
Yeah life is as uncertain as the wind blowsLately I've been thinkin'
Which could be a dangerous thing
Baby, the green lights blinkin'
Let's get out of this slow laneAnd just drive
Get away, like Bonnie and Clyde
Come on drive
We'll get a taste of the outsideLet's take a joyride
Life's a joyrideI got a hundred bucks
I bet it's gonna bring us luck
'Cause I can feel it burnin' in my pocket
Let's drive to Reno find a funky old casino
We can roll with it or baby we can rock itSo put your feet up on the dashboard
Play your guitar and we'll sing all nightAnd just drive
Get away, like Bonnie and Clyde
Come on drive
We'll get a taste of the outsideLet's take a joyride
Life's a joyrideLately I've been thinkin'
Which could be a dangerous thingSo let's drive
Get away, like Bonnie and Clyde
Come on drive
We'll get a taste of the outside
Oh yeah, let's driveGet away, like two thieves in the night
Come on drive
We'll steal a taste of the outsideLet's take a joyride
Life's a joyride
Oh oh yeah
