

Glendora

The Slickee Boys

I'm in love with a dolly named Glendora
She works in the window of a big department stor-a
Eyes of blue, hair like gold
Never been young but she'll never get old
Oh Glendora, I wanna see more of you
O' Glendora, o' Glendora
O' Glendora, I wanna see more of you
She's so shy that I don't know how I found her
With three big body guards always workin' around her
One just nods an' two just grins
An' three got a mouth full of safety pins
O' Glendora, I wanna see more of you
(You, more of you)
O' Glendora, o' Glendora
O' Glendora, I wanna see more of you
(More of you)
I stand left an' I stand right
Outta my head 'cause I'm outta sight
O' Glendora, I wanna see more of you
Late last night at the store they did some changin'
An' I stood watchin' when they started re-arrangin'
She lost her wig, she lost her arms
An' when they got through, she lost all of her charms
O' Glendora, what did they do to you?
What they do, what they do, what they do ?
O' Glendora, o' Glendora
O' Glendora, what did they do to you?
What they do, what they do, what they do ?
O' Glendora, o' Glendora
O' Glendora, what did they do to you?
Do to you, oh, what did they do to you?
O' Glendora, what did they do to you?
