I Know One (Re-Recorded)

Charley Pride

When all your loves have ended
When all your friends have flown
Who'll be around to want you
When all your loves have gone
Only a fool would do itAfter the way you've done
How many fools would have you
I know oneThis fool keeps wondering
Why he fell in love at all
But you might need this fool
Around in case you fall
After the party's overAnd you've had your fill of fun
If you need a fool to forgive you
I know oneYou never know, you might be lonely
When all your loves have missed
It wouldn't hurt to keep
An extra fool on your list
After your heart's been broken
And it needs a place to run
If you'll take a fool who loves youI know one
Yes, I know one
I know one
