

# I Know One (Re-Recorded)

Charley Pride

When all your loves have ended  
When all your friends have flown  
Who'll be around to want you  
When all your loves have gone  
Only a fool would do it After the way you've done  
How many fools would have you  
I know one This fool keeps wondering  
Why he fell in love at all  
But you might need this fool  
Around in case you fall  
After the party's over And you've had your fill of fun  
If you need a fool to forgive you  
I know one You never know, you might be lonely  
When all your loves have missed  
It wouldn't hurt to keep  
An extra fool on your list  
After your heart's been broken  
And it needs a place to run  
If you'll take a fool who loves you I know one  
Yes, I know one  
I know one
