

# Koop Island Blues (feat. Ane Brun)

## Koop

Hello, my love  
It's getting cold on this island  
I'm sad alone  
I'm so sad on my own The truth is  
We were much too young  
Now I'm looking for you  
Or anyone like you We said goodbye  
With the smile on our faces  
Now you're alone  
You're so sad on your own The truth is  
We ran out of time  
Now you're looking for me  
Or anyone like me Hello, my love  
It's getting cold on this island  
I'm sad alone  
I'm so sad on my own The truth is  
We were much too young  
Now I'm looking for you  
Or anyone like you
