We Rule O.K.

The Last Resort

The government policies are out of hand
They ain't got a clue how to run this land
Margaret Thatcher the stupid old bitch
Takes from the poor and gives to the rich
She thinks we can't see her plan
To kill the spirit of the working class man
Make us redundant, put us on the dole
Put us in prisons without parole
They're a bunch of stuck up snobs
They think kids are mindless yobs
But we'll stop them in the end
And they'll find out who are their friends
Maggies boys don't give a shit
If you ain't a Tory then your face don't fit
You can't get nothing for your pound
These days you have to shop around
Be a rebel with a cause
Fight against the stupid laws
Stop ol' maggie once and for all
Cos on the streets its us who rule
