

Who Wants to Live Forever

Queen

There's no time for us
There's no place for us
What is this thing that builds our dreams, yet slips away from us

Who wants to live forever
Who wants to live forever . . .?
Oh ooo oh
There's no chance for us
It's all decided for us
This world has only one sweet moment set aside for us

Who wants to live forever
Who wants to live forever
Ooh
Who dares to love forever
Oh oo woh, when love must die

But touch my tears with your lips
Touch my world with your fingertips
And we can have forever
And we can love forever
Forever is our today

Who wants to live forever
Who wants to live forever
Forever is our today
Who waits forever anyway?
