Hey Hey Hey

Hey Hey Hey
Hey
Woke up this mornin you were on my mind
had a dream about you maybe its a sign that
You've been contemplating coming back to me
I'll be right here waiting miss your company yeah
Oh I can't deny it you've been on my mind
Oh I think about you damn near all the time
I've been spending all my time
Thinking bout you
I can't help but wonder if you're thinking bout me too
I can't get you outa my mind
I think about you alla the time
I been spending all my time thinkin bout you
Baby come on tell me are you thinkin bout me too
Tossin and Turning across my bed
besides this yearnin
Can't get you out my head
Oh I musta did you wrong
When I had your love
Ever since you been gone
You're all I'm thinkin of
Oh I can't deny it
You been on my mind
I think about you damn near all the time
I been spendin all my time
Thinkin bout you
I cant help but wonder if your thinkin bout me too
II can't help but wonder if you're thinking bout me too
I can't get you outa my mind
I think about you alla the time
I been spending all my time thinkin bout you
Baby come on tell me are you thinkin bout me too

You've been gone for way too long
Now the radio keeps playin out favorite song
I keep bumpin into all our mutual friends
and oh they keep telling me
Aint no way its the end
Oh I can't deny it
You been on my mind
I think about you damn near all the time
I been spendin all my time
Thinkin bout you
I can't help but wonder if you're thinking bout me too
I can't get you outa my mind
I think about you alla the time
I been spending all my time thinkin bout you
Baby come on tell me are you thinkin bout me too
I can't get you outa my mind
I think about you alla the time
I been spending all my time thinkin bout you
Baby come on tell me are you thinkin bout me too
