

# Home Is Where the Heart Is

## SILENT RUNNING

I always said things would be different  
Come the glorious day  
But now it's here and I want to share it  
But you're so far away

Life is always bitter sweet  
It gives and takes away  
I would give it all to you  
If you were here today

You 've got to keep the home fires burning  
You've got to 'cause home is where the heart is

Another day and another stranger  
Knocking at my door  
He sees my life in shades of green  
Is nothing sacred any more?

I always thought that money talk  
Was a language made for fools  
Someone to hold on a cold dark night  
Is the world's most precious jewel

You 'vÐµ got to keep the home fires burning  
You've got to 'cause home is where the heart is

I'm such a long way from home  
How can I get back to you

You see I caught a falling star  
I tried it on and thought I was someone  
Forgot the love that brought me so far  
But I don 't want to live this way anymore

Life is always bitter sweet  
It gives and takes away  
I would give it all to you  
If you were here today

You 've got to keep the home fires burning

You've got to 'cause home is where the heart is

Home is where the heart is  
Home is where the heart is  
Home is where the heart is  
Home is where the heart is  
Home is where the heart is  
Home is where the heart is  
And my heart is with you
