

Emily (Toyshop Mix)

From First to Last

Smiles and her laughter
It's the only thing
That I've been waiting for a time
Regardless of our distance and our hope
Grows greater
Trapped by pretty eyes and letters for all time
The only thing that I've been waiting for. I hope it's something worth the waiting
Cause it's the only time that I ever feel real
Thunder storms could never stop me
Cause there's no one in the world like Emily She's simple yet confusing
Her sparkling eyes make me weak at my words, they tremble
Days seem like years in this month of December
The winter coldens me for I have yet to sleep
And never will I give up trying
Because you're everything to me I hope it's something worth the waiting
It's the only time that I ever feel real
Thunder storms could never stop me
Cause there's no one in the world like Emily.
