

Happy Go Lucky

Paul Evans

Love, all my love was yours
Of this I was so sure
I guess I never saw it coming baby
But now I'm over the surprise
I'm wearing this disguise So everyone can think I'm having fun baby
The world only sees me smiling
My pillow knows the truth at night
'cause that's where I hide my sorrow And they call me happy go lucky
They don't know my heart is dying inside
A smile's a frown turned upside down
I do my happy go lucky so well
I'm even fooling myself But now I've put it to the test
I know it's for the best
In fact it's good, you walked out on me baby
I, I've learned how to survive
Without you in my life So why am I still talking 'bout you baby
The world only sees me smiling
My pillow knows the truth every night
'Cause that's where I hide my sorrow And they call me happy go lucky
They don't know my heart is dying inside
A smile's a frown turned upside down
I do my happy go lucky so well
I'm even fooling myself All my love yours, I guess I was so sure
When I see the morning light, I put on this facade
It's all I have to protect my pride
It's all I've got, this smile is all I've got And they call me happy go lucky
They don't know my heart is dying inside
A smile's a frown turned upside down
I do my happy go lucky so well
I'm even fooling myself
