Ring Dang Doo

Sam the Sham & the Pharaohs

Well, you can have your gold and your diamonds too
All I want is a ring dang doo
Well, I've been all over this big old world, hey
Looking for a ring dang dooI've fallen in love with a thousand girls, yeah
Looking for a ring dang doo
I've got a mojo bag and a little voodoo
But I ain't never found a ring dang dooWell, I was a' down in New Orleans
Looking for a ring dang doo
I fell in love with a girl in tight blue jeans
Looking for a ring dang dooSaid I can't stay though my love is true
I've got to keep a lookin' for a ring dang doo
Yeah, ring dang do
Where are you? What are you?From Mexico to the Phillipines, yeah
Looking for a ring dang doo
Well, I've drunk with peasants and I've dined with kings
Looking for a ring dang doo
But I ain't never found a single clue
I've got to keep a lookin' for that ring dang dooWell, people call me crazy every single day
Yeah, looking for a ring dang doo
But I don't care what the people may say
No, looking for a ring dang doo
I don't know what it looks like or what it can do
I keep looking for that ring dang dooRing dang, ring dang, ring dang doo
Ring dang, ring dang, ring dang doo
You can have your gold and your diamonds too
All I want is a ring dang dooRing dang, ring dang, ring dang doo
Ring dang, ring dang, ring dang doo
Where are you?
