Adam And Evil

Monroe

Now Adam and Evil, they go hand in hand
Eve taught him sin, that's the way it all began
But every time you kiss me, my heart pounds like a drum
So trouble is a woman, trouble here I come

I'm lonely like Adam, you're evil like Eve
I shouldn't take forbidden fruit 'cause I believe
I'll be heading straight for heartache
I should cut loose and run
But if loving you means heartache
Heartache, here I come

You're not the angel that I dreamed about
But you're the devil I don't want to live without
A woman's a woman, a man is a man
I can't be free I'm just putty in your hands
Who cares about tomorrow, I need your love tonight

And even if you're evil, baby hold me tight

You're not the angel that I dreamed about
But you're the devil I don't want to live without
A woman's a woman, a man is a man
I can't be free I'm just putty in your hands
Who cares about tomorrow, I need your love tonight

And baby if you're evil, baby hold me tight
Hold me tight
Hold me tight
Hold me tight
