

# Still I'm Sad

## Rainbow

See the stars come falling down the sky  
Gently passing, they kiss your tear drops dry  
See the wind come, softly blow your hair from your face  
And the rain comes falling down in its crazy way Still I'm sad  
Still I'm sad For myself my tears just fall in the dust  
They will dry every night we find they're lost  
See the wind can't stop me blow time into my heart  
And the rain comes falling down while we're apart Still I'm sad  
Still I'm sad See the stars come falling down from the sky  
Gently passing, they kiss your tears when you cry  
See the wind can't stop me blow your hair from your face  
And the rain come falling down in its crazy way I'm so sad  
I'm so sad But still I'm sad  
Feeling so sad, feeling so bad  
You're making me sad  
Breaking my back  
I'm sad
