

# Act Naturally

[Susan McCann](#)

They're gonna put me in the movies  
They're gonna make a big star out of me  
We'll make a film about a man that's sad and lonely  
And all I've gotta do is act naturally  
Well, I bet you I'm a gonna be a big star  
Might win an Oscar, you can never tell  
The movies are gonna make me a big star  
?Cause I can play the part so well  
I hope you come to see me in the movies  
Then I know that you will plainly see  
The biggest fool that ever hit the big time  
And all I've gotta do is act naturally  
We'll make a scene about a man that's sad and lonely  
And begging down upon his bended knee  
I'll play the part but I won't need rehearsing  
?Cause all I've have to do is act naturally  
Well, I bet you I'm a gonna be a big star  
Might win an Oscar, you can never tell  
Yeah, the movies are gonna make me a big star  
?Cause I can play the part so well  
Well, I hope you come to see me in the movies  
Then I know that you will plainly see  
The biggest fool that ever hit the big time  
And all I've gotta do is act naturally  
Two, three, four, all I've have to do is act naturally
