Sweat Like the Dew

Say Hi

My girl's so young
My razor tongue
Punk rock to tape
Punk rock to tape
We're ordinary
Like misprints
Or American diner vinylAnd I bite my tongue
She twirls her hair
Feet on the ground
We're nice and square
And her and me
Together, yeahMy girl, big eyes
Big lows, big highs
Sweat like the dew
Sweat like the dew
We're ordinary
Like old shopping bags
On escalatorsAnd I bite my tongue
She twirls her hair
Feet on the ground
We're nice and square
And her and me
Together, yeah
