

Hear Me Talking To Ya

[Ella Fitzgerald](#)

Rambling man makes no change in me
I'm gonna ramble back to my used to be
Ah, you hear me talking to you
I don't bite my tongue
You wanna be my man
You got to fetch it with you when you come
Eve and Adam in the garden taking a chance
Adam didn't take time to get his pants
Ah, you hear me talking to you
I don't bite my tongue
You wanna be my man
You got to fetch it with you when you come
I don't care whether they're old or young
When the chips were down they had to trouble the Lord
Ah yes, you hear me talking to you
I don't bite my tongue
You wanna be my man
You got to fetch it with you when you come
Hello Central, give me 609
What [Incomprehensible] getting in these he's all mine
Ah yes, you hear me talking to you
I don't bite my tongue
You wanna be my man
You got to fetch it with you when you come
