

# Man in the Mirror

Jadakiss

Top 5 DOA I'm on a paper chase they want me outta my zone

Spread the product get the profit I'm gone

Yeah, high as fuck driving alone

Spread the product get the profit I'm gone

Sometimes I can't feel the hate when its nearest

I can see it clearer than the man in the mirror

Feeling down and I'm telling myself cheer up

I'm only scared of God and the man in the mirror Ya destiny's in yo hand inner strength a Conan

Too much time spent in the hood will have u programmed

Or in ya cell writing a kite listening to slow jams

The 2-3 ain't workin' on me they gotta go man

I got the ball movin' I rock a small Cuban

I'm too famous to deny some of my wrong doing

Its never about what you've done what you can do for them

Family and friends I be done rapidly losing them

Look at they name think about it before deleting it

Before you sit down at the table watch who you eating wit

Hopefully those ain't the people that you competing wit

I'm too focused to quit my journey before completing it, what's up I'm on a paper chase they want me outta my zone

Spread the product get the profit I'm gone

Yeah high as fuck driving alone

Spread the product get the profit I'm gone

Sometimes I can't feel the hate when its nearest

I can see it clearer than the man in the mirror

Feeling down and I'm telling myself cheer up

I'm only scared of God and the man in the mirror It's a difference between what you doin' and what you tryna do

Price u pay for not being humble is astronomical

Especially when you in the jungle what would the lions do

If you can do the math on that then do the science too

Move around wit the 4 pound or a 9 or two

Hometown hate I receive ain't worth responding to

I'm the one that made them believe in a Yonkers dude

Even though they hated on me I'm responsible

First they gonna try divide then they conquer you

Try to make u swallow your pride 'cause they sponsored you

Yeah, I only fear two beings, one I can talk to

The other I can see him I'm on a paper chase they want me outta my zone

Spread the product get the profit I'm gone

Yeah, high as fuck driving alone  
Spread the product get the profit I'm gone  
Sometimes I can't feel the hate when its nearest  
I can see it clearer than the man in the mirror  
Feeling down and I'm telling myself cheer up  
I'm only scared of God and the man in the mirror  
Blunt to the face ready for the war  
You already know something heavy in the door  
Any kind of funny movement I'm letting off  
Life is the one thing you can't get a pair of  
While I'm here I'm make my surrounding I'm aware of  
Made enough money, the kids is taken care of  
I'm only scared of god and the man in the mirror  
I'm on a paper chase they want me outta my zone  
Spread the product get the profit I'm gone  
Yeah, high as fuck driving alone  
Spread the product get the profit I'm gone  
Sometimes I can't feel the hate when its nearest  
I can see it clearer than the man in the mirror  
Feeling down and I'm telling myself cheer up  
I'm only scared of God and the man in the mirror, what's up
