Self Destruct

Suicidal Tendencies

Sometimes I wish my head would just explode!Self-self, I wanna...

Self-self, I gotta...

Self-self-self, I'm gonna... self destruct!Self-self-self, I wanna...

Self-self, I gotta...

Self-self-self, I'm gonna... self destruct! I can't fight this urge, to self destruct!

I can't seem to stop this urge, to self destruct! Self destruct!

Self destruct!

Self destruct!

Self destruct! I got the urge to self destruct!

I need the urge to self destruct!

I got the urge to self destruct!

Can't stop the urge to self destruct! Self-self, I wanna...

Self-self, I gotta...

Self-self, I'm gonna... self destruct! I can't fight this urge, to self destruct!

I can't seem to stop this urge, to self destruct! Self destruct!

Self destruct!

Self destruct!

Self destruct! I got the urge to self destruct!

I fight the urge to self destruct!

I got the urge to self destruct!

Can't stop this urge to self destruct! Where is the sunshine of my mind?

There is no sunshine in my mind!

How can I be everything to everyone?

Where is the sunshine of my mind?

When I don't want to be anything to anyone!

There is no sunshine in my mind! I just wanna make the pounding in my head freakin' stop! Self-self, self

destruct!

Self-self-self, self destruct!

Self-self, I wanna... self destruct! I can't fight this urge, to self destruct!

I can't seem to stop this urge, to self destruct! Self destruct!

Self destruct!

Self destruct!

Self destruct! I got the urge to self destruct!

Can't fight this urge to self destruct!

I got the urge to self destruct!

Can't stop this urge to self destruct! Self destruct!

Self destruct!

Self de-struct!

Self destruct!No...
