

Dream to Me

DOM KENNEDY

All my life
Is changing every day
In every possible way And all my dreams
Is never quite as it seems
Never quite as it seems I know I've felt like this before
And now I'm feeling it even more
Because it came from you I know I've felt like this before
And now I'm feeling it even more
'Cause you're a dream to me Dream to me
Dream to me
Dream to me All my life
Is changing every day
In every possible way And all my dreams
Is never quite as it seems
Never quite as it seems I know I've felt like this before
And now I'm feeling it even more
Because it came from you I know I've felt like this before
And now I'm feeling it even more
'Cause you're a dream to me Dream to me
Dream to me
Dream to me
