Slave to Evil (Infact Remix)

:Wumpscut:

There was a time I thought
The mind would force the body
There was a time I thought
The mind would force the soulBut then I went evil
But then I went mad
But then I went evil
But then I went madBut then I went evil
But then I went mad
But then I went evil
But then I went madEvil is ruling over my existence
Evil is ruling over my existenceThere was a time I thought
The mind would force the body
There was a time I thought
The mind would force the soulBut then I went evil
But then I went mad
But then I went evil
But then I went madBut then I went mad
But then I went mad
But then I went mad
But then I went madEvil is ruling over my existence
Evil is ruling over my existence
Evil is ruling over my existence
Evil is ruling over my existenceEvil is ruling over my existence
Over my existence, over my existenceThere was a time I thought
The mind would force the body
There was a time I thought
The mind would force the soulThere was a time I thought
The mind would force the body
There was a time I thought
The mind would force the soulThere was a time I thought
There was a time I thought
