

# Taking My Life Back

Chris Crocker

(verse 1)

sick of being your revolving door  
just here to tell you  
my heart dont revolve around yours  
no more feelin like im fallen short  
now i know im worth so much more(chorus)

when you left felt regret  
but i wont second guess my head  
cause im taking my life back  
and im on the right track  
feeling sorry for you, not again  
you werent all that  
im stating all the facts  
im sick of you and all of your friends  
cause i need somebody  
ill find somebody  
who will love me for who i am  
im taking my life back  
im on the right track  
feeling sorry for you not again  
all those times we had  
im taking it back(verse 2)

used to you treating me like a chore  
this new one treats me like im all he adores  
picked my heart up right off the floor  
where you left it now, theres no love just warwhen you left felt regret  
but i wont second guess my head  
cause im taking my life back  
and im on the right track  
feeling sorry for you, not again  
you werent all that  
im stating all the facts  
im sick of you and all of your friends  
cause i need somebody  
ill find somebody  
who will love me for who i am  
im taking my life back  
im on the right track  
feeling sorry for u not again

all those times we had  
im taking it back(bridge)  
all of the times that we had  
i swear theyre stuck in the past  
all of the times that we had  
i swear that im..  
taking my life back  
im on the right track  
feeling sorry for u not again(chorus)  
when you left felt regret  
but i wont second guess my head  
cause im taking my life back  
and im on the right track  
feeling sorry for you, not again  
you werent all that  
im stating all the facts  
im sick of you and all of your friends  
cause i need somebody  
ill find somebody  
who will love me for who i am  
im taking my life back  
im on the right track  
feeling sorry for you not again  
all those times we had  
im taking it back
