Mary Jane

Megadeth

Forgive me father for I have sinned
I'm a child of the air, I'm a witch of the wind
And I'm still awake
Mary JaneFrom the earth up through the trees
I can hear her calling me
Her voice rides on the breeze
Oh, it's haunting meNo, can't get away
No, there's no escape
If I know, I'm going crazy
I must not be insaneBeware my friends, as you pass by
As you are now so once was I
As I am now so you must be
Prepare my friends to follow meForgive me father for I have sinned
I'm a child of the air, I'm a witch of the wind
Fingers gripped 'round my brain
No control, my mind is lameI'm in the astral plane
And I'll never be the same
Never, never, never, never, never, never
Never, never, neverBeware my friends, as you pass by
As you are now so once was I
As I am now so you must be
Prepare my friends to follow meIt hurts so bad
I can't breathe
Prepare to follow me
