

Falling Short

LÃƒpsley

One month till February keep on holding on
And I know its short, and I know its short
And itâ€™s times like these, and itâ€™s days like these
Itâ€™s been a long time coming but Iâ€™m falling short
â€™Cause you could save this itâ€™s not too far to carry this
Because you took something away from yourself
Come back to this world and take your heart off (the) higher shelf
