

# Back Home (Mr. Vasovski Edit)

Fritz Kalkbrenner

So the sea has gone to take me  
Maybe now I'd fell it fall  
I tell myself I won't get astray  
I believe it's going be hard  
So I look across the mane  
To a point far out of sight  
Over me comes the rain  
And I be gone  
But then a night I'm looking for ways over water  
I'm looking for ways to go  
I'm looking for ways over water  
I'm looking for ways back home I'm looking for ways over water  
I'm looking for ways to go  
I'm looking for ways over water  
I'm looking for ways back home I ain't afraid of leaving  
And all those things I left behind  
Most of them ain't meant to last  
None of them ain't even mine  
Too tired of marking time  
Giving too much away  
Not a single dime is left  
So I'm calling better days I'm looking for ways over water  
I'm looking for ways to go  
I'm looking for ways over water  
I'm looking for ways back home I'm looking for ways over water  
I'm looking for ways to go  
I'm looking for ways over water  
I'm looking for ways back home I'm looking for ways over water  
I'm looking for ways to go  
I'm looking for ways over water  
I'm looking for ways back home I'm looking for ways over water  
I'm looking for ways to go  
I'm looking for ways over water  
I'm looking for ways back home
