

All Day And All Of The Night

The Knickerbockers

I'm not contempt to be with you in the day time
Girl, I want to be with you all of the time
The only time I feel all right is by your side
Girl, I want to be with you all of the time
All day and all of the night
All day and all of the night
All day and all of the night
I believe that you and me last forever
Yeah, all day and night time yours
Leave me never

The only time I feel all right is by your side
Girl, I want to be with you all of the time
All day and all of the night...
I believe that you and me last forever
Yeah, all day and night time yours
Leave me never

The only time I feel all right is by your side
Girl, I want to be with you all of the time
All day and all of the night...
All day...
