

Lose It

Supergrass

Don't lose it, no don't lose it
I won't come home 'cos you never hold my hand
And don't lose it, no don't lose it
I won't come home 'cos you never hold my hand Now, don't you know my name? So don't lose it, no don't lose
it
I won't come home 'cos you never hold my hand
And don't lose it, no don't lose it
I won't come home 'cos you never hold my hand Now, won't you call my name? I don't want anybody anyway I
know too much to say
I love her again So don't lose it, no don't lose it
I won't come home 'cos you never hold my hand Now, won't you call my name?
