

Homesick

Catfish and The Bottlemen

I got misled, mistook, discard
Anything that I said
Take me out back show me peril doll
Cause I've got some lies to tell
She hates her work but loves to flirt
Shame, she don't work with me
She gets uptight and don't like when I'm?? gal
But, she won't let on to me I said I'm only looking out for you
She said It's obvious that's a lie
But, I only ever put out for you
You know it's obvious you don't try I got mistook and took dissent
And it's not as if you didn't notice
I tried the handle of her car's door
Cause I needed something to show for it
She said you never got that from me
But you got that look from me I said I'm only looking out for you
She said It's obvious that's a lie
But, I only ever put out for you
You know it's obvious you don't try I said I'm only looking out for you
She said It's obvious that's a lie
But, I only ever put out for you
You know it's obvious you don't try I got misled, mistook, discard
Anything that I said
Take me out back show me peril doll
Cause I've got some lies to tell
