Tangerine

Stacey Kent

Tangerine, she is all they claim
With her eyes of night and lips as bright as flame
Tangerine, when she dances by
Senoritas stare and caballeros sighAnd I've seen toasts to Tangerine
Raised in every bar across the Argentine
Yes, she has them all on the run
But her heart belongs to just one
Her heart belongs to Tangerine
And I've seen toasts to Tangerine
Raised in every bar across the Argentine
Yes, she has them all on the run
But her heart belongs to just one
Her heart belongs to Tangerine
