

# Myself (enough)

[Kim Taylor](#)

Falling down that boy has come around  
I woke up to see him smiling down  
Could not find a reason  
Could not see a way  
Could not bring myself enough to say, hey hey hey  
I give him a glance  
Hope to see him different  
I sing him a dance  
Make it all flow fine  
Would not be a reason  
Would not be a way  
Would not be myself enough to say, hey hey hey  
All these words might help to bind the distance  
That keeps you from me  
I hear God?s not fighting my resistance  
Don?t put your faith in me
