Put It On the Line

Lyn Collins

The Bee Gees
Miscellaneous
Love On The Line
When I don't see you
And I don't know where you've been
There gets to be a question in my mind
It hurts to love you
And the knife goes through the heart of me
When you're gone I lost a part of me
That's hard to find
Don't want to fall asleep without you
Don't wanna wake
Don't wanna wake up when you're gone
I don't know what you do that makes me love you
But then love don't mean surrender
And it's time I let it show
You've got someone else in love with you
And I deserve to know
You've been laying our
Love on the line
That's my suspicion
When I see her in your eyes
Love undermined
No ammunition
I don't wanna love you paralyzed
I don't wanna love you paralyzed
Some misty morning
When she does the same to you
When she makes you feel like I do
That's the day
But she can't have you
She can't build a wall around you
She can't love you like I love you anyway
I know by midnight if you leave me
And no lies can make the difference
More hearts get broken now than need be
And it's right to face the woman
That steal the man away
If there's anything to get you back

That I must do I can
And our love will never be
* Love on the line
That's my suspicion
When I can see her in your eyes
Love undermined
I'm on a mission
I don't wanna love you paralyzed
I don't wanna love you paralyzed
And my life I won't surrender
And I'll find out where you go
There's someone else in love with you
And I deserve to know
And it's dying in the heart of me
And our love should never be
(repeat * twice)
