

Just for My Baby

Melky Sedeck

(ooooh... ohh yea)

This is for... my baby. Oh yeah. Ohhh yeah. You been on my mind all night since you left my bed

Can't think of nothing else, can't get no thoughts through my head

Woke up early Sunday morning, tried to testify

Can't forget how you made my body cry(oooooooo ooo ooooo)

Got me singing

(oooooooo oooo oooo)You took my clothes off and stared at my back side

You came a little closer and found out I was your perfect size

Intertwined with my baby I started to rise,

Slowly... I began to sigh(oooooooo oooo oooo)

ahh yahyahyahhhhh

(oooooooo oooo oooo)[Moaning] OOoooo ahh ha

(oooooooo oooo oooo)(oooooooo oooo oooo)

This is for my baby.

(oooooooo oooo oooo)

Oh suga. Ahh yahyahyah....

(oooooooo oooo oooo)

Oh baby. Oh...

you like it when I... You like it when.. (hmm mmm)

You know you like it when I... (mmmmm)

you like when i.... Ah ah ahh

Do you like when I...

You like when I...

(oooooooo oooo oooo)

Do you like when I... (hmmm)

Sing it for me baby.... How you made me feel

Songs of ecstasy.... Making love to you

oh ohhh

Songs of romance.... You're my baby

ah yahayyy..... ay yahaha

ohhh

Songs of ecstasy.... You're my baby
