

# Wine And Women

## Bee Gees

Wine and women and song will only make me sad  
Love and kisses and hugs, the things I never had  
If this should end, I don't mind  
If this should end, I will find  
What shall I do (what shall I do )  
What shall I do (what shall I do )

Cars and buses and trams make a lot of noise  
All my women have gone out with other boys  
If this should end, I don't mind  
If this should end, I will find  
I won't complain (I won't complain)  
I feel no pain (I feel no pain )

Ooh..  
If this should end, I don't mind  
If this should end, I will find  
I won't complain (I won't complain)  
I feel no pain (I feel no pain )

Wine and women and song will only make me sad  
Love and kisses and hugs the thing I never had  
If this should end, I don't mind  
If this should end, I will find  
I won't complain (I won't complain)  
I feel no pain ( I feel no pain)  
I won't complain...cry  
Ooh...
