Intro

Staind

Thank you to the people in my life
For putting up with me
And thank you for the time you sacrificed
All on account of meFor all the times I didn't say
The times I didn't say
For all the times I didn't say
Times I didn't sayFuck you to the jaded and the fake
Like to see what you would do
Fuck you and the judgements that you make
We're not all perfect just like you
Like you
Like youFor all the times I didn't say
Times I didn't say
For all the times I didn't say
The times I didn't sayAll the times I didn't say
All the times I didn't say
Thank you to the people in my life
For putting up with me
