

Crawl (Live @ Birmingham NIA)

Kings of Leon

You fault my pride
Don't ever need to apologize
As your lips unfold
Shakin' purple from the cold You better learn to crawl
You better learn to crawl
Before I walk away
Before I walk away You broke my mouth
The bloody bits are spitting out
Is your grave unscathed
The worm is counting down the days He wants to see you crawl
He wants to see you crawl
Before I walk away
Before I walk away The reds and the whites and abused
The crucified USA
As their hypocrisy unfolds
Oh hell is truly on its way As the rat, and the fly
They're searching for an alibi
As we await the wrath
They never went to Sunday Mass They want to see us crawl
They want to see us crawl
Before they walk away
Before they walk away The reds and the whites and abused
The crucified USA
As their hypocrisy unfolds
Oh hell is truly on its way
