Suffocating

Sound the Alarm

In the beginning it was worth this
Do the worst, feel complete
Passing standards others meet
(What we do best)Now, perfect endings make you anxious
Heavy head, a colder sweat
Leaving nothing here
Nothing to regretWhy am I still suffocating?
Constantly devastated just to stay alive
Why am I still suffocating?
Constantly devastated just to stay alive, ohhI miss the old days that we murdered
They're so far gone, out of reach
Watch your fate with summers heat
(Well, it goes like this)Without a break from this distraction
I need a change
A different scene
A new approach on coming cleanWhy am I still suffocating?
Constantly devastated just to stay alive
Why am I still suffocating?
Constantly devastated just to stay aliveStill searching for a back door out of here
Reassured that old friends will reappear
Why am I still suffocating?
Hold your breath deep and I'll keep waitingStill searching for a back door out of here
Reassured that old friends will reappear
Why am I still suffocating?
Hold your breath deep and I'll keep waiting, waitingWhy am I still suffocating?
Constantly devastated just to stay alive
Why am I still suffocating?
Constantly devastated just to stay alive, ohh
