

# Suffocating

## Sound the Alarm

In the beginning it was worth this  
Do the worst, feel complete  
Passing standards others meet  
(What we do best) Now, perfect endings make you anxious  
Heavy head, a colder sweat  
Leaving nothing here  
Nothing to regret Why am I still suffocating?  
Constantly devastated just to stay alive  
Why am I still suffocating?  
Constantly devastated just to stay alive, ohh I miss the old days that we murdered  
They're so far gone, out of reach  
Watch your fate with summers heat  
(Well, it goes like this) Without a break from this distraction  
I need a change  
A different scene  
A new approach on coming clean Why am I still suffocating?  
Constantly devastated just to stay alive  
Why am I still suffocating?  
Constantly devastated just to stay alive Still searching for a back door out of here  
Reassured that old friends will reappear  
Why am I still suffocating?  
Hold your breath deep and I'll keep waiting Still searching for a back door out of here  
Reassured that old friends will reappear  
Why am I still suffocating?  
Hold your breath deep and I'll keep waiting, waiting Why am I still suffocating?  
Constantly devastated just to stay alive  
Why am I still suffocating?  
Constantly devastated just to stay alive, ohh
