Lil Red

Bikini Kill

These are me tits, yeah
And this is my ass
And these are my legs
Watch them walk fuckin away
These are long nails to scratch out yr eyes
You are not the victim
Tho' you'd like to make it that way
Pretty girls all gather round
To hear yr side of things
Yeah, yr side of things
Your sh-sh-sh-sh-shining path
These are my Ruby REd lips
THE BETTER TO suck YOU DRY
These are my long red nails
THE BETTER TO scratch OUT YR EYES
I am sorry I am so nice to you
HandKNIFEhandKNIFEhandKNIFE
blah..blah..blah
All you do is destroy
All you do is fuck up
All you ever do is Take take
TAKEtake TAKEtakeTAKEtakeTAKEtakeTAKEtakeTAKE
