Good God

Baggi Begovic

Anouk- Good GodSurely I am willing but I won't
Claiming that I'll do it but I don't
Knowing I'll do anything you want
Pretending I am someone that I'm notGood god
My mind won't let me think right I know your troubled
Well I'm determined to create this things up in my head that never happened
In time am I gotta choose
Freedom or loyalty
Look at what you have done
What am I gonna doSo now that you have made a mess off me
And show me stars that I have never seen
I know it's wrong why does it feel so right
You haven't got me yet but you mightYour smiling back at me I wanna do it
I wanna be with you let me get through it
But am I gonna make it back alive
Will you show me all the things that you can doGood god
My mind won't let me think right I know your troubled
Well I'm determined to create this things up in my head that never happened
In time am I gotta choose
Freedom or loyalty
Look at what you have done
What am I gonna doGood god
My mind won't let me think right I know your troubled
Well I'm determined to create this things up in my head that never happened
In time am I gotta choose
Freedom or loyalty
Look at what you have done
What am I gonna doyeah yeah yeah yeah (4x)
